JESSE M. FURMAN, United States District Judge:

As stated on the record during the teleconference held earlier today:

- Plaintiff shall file the corrected versions of ECF Nos. 100-03, together with redlines showing any changes between the originally filed versions and the corrected versions, **no later than December 22, 2025**. If Plaintiff does not file redlines along with his corrected papers, Defendants shall file the appropriate redlines at their earliest convenience.
- Defendants’ reply, if any, in further support of their pending summary judgment and *Daubert* motions shall be filed **no later than January 14, 2026**.
- As Plaintiff’s counsel conceded, sanctions are warranted on Plaintiff’s counsel for filing papers with AI-generated hallucinations and inaccuracies. *See* ECF No. 105, 105-1. Accordingly, sanctions are hereby imposed. Unless and until the Court orders otherwise, Plaintiff’s counsel shall reimburse Defendants for the fees and costs they incur as a result of the problems with the papers filed on December 4, 2025. **The parties shall confer in an effort to reach agreement on the size of the award.** Absent agreement, Defendants shall file a letter, not to exceed five pages, seeking such fees and costs, supported by contemporaneous billing records, **no later than January 21, 2026**. Plaintiff’s counsel shall file any opposition **no later than January 28, 2026**. No reply may be filed absent leave of Court.

SO ORDERED.
